

LIGHT DENTAL
STUDIOS™

WHAT TO EXPECT AT THE DENTIST

Welcome to Light Dental Studios! Whether you're someone who makes a regular appearance at the dentist every six months or haven't been in a long while, we're here to make your visit as easy as possible.

ABOUT US

Light Dental Studios has been serving the greater Puget Sound area for fifty years and counting. With over thirty locations and three hundred employees, Light Dental is your one-stop shop for dental health, with everything from orthodontics and pediatrics to implant specialists and oral surgeons.

VISION

Light Dental was founded on the basis of providing safe, affordable dental care to the people of Western Washington.

MISSION

- Build a loyal, reliable workforce of dental professionals
- Offer a wide range of services concerning oral health
- Educate the public on the minutiae of oral health in such a way that it takes away the vast majority of fear associated with visits to the dentist
- Provide valuable care at an affordable price
- Ensure each patient leaves with a healthy, happy smile

TESTIMONIALS

Belva J.

Wonderful experience. I chose the right place! Assistants were very kind and informative. Answered every question and explained everything he was doing. Made sure I wasn't in any pain. Made me laugh. Made me feel very comfortable. I highly recommend them!

Matthew T.

Staff were very friendly, and very professional. Work as a team and got the job done. They always go out of there way to make you comfortable, and really care about there patients.

Kim C.

Such a pleasure to visit! I felt well taken care of. Fillings were painless and easy.
